Minion Fun Facts:

1. Minions are impulsive creatures with little self-control.
2. Their language, 'Minionese' is a gibberish blend of many languages (Spanish, French, Hebrew, Indian, Italian, Russian, Korean and Japanese). *Hence, their language is incomprehensible to most humans, though they do understand English.
3. Minions love bananas and apples- the mere sight of one of these fruits can result in complete chaos.
4. The average Minion stands at 105cm in height
5. Minions have only three fingers.
6. Minions can survive in outer space, meaning they resist freezing and do not need to breathe oxygen.
7. The evil Minions are purple because purple and yellow are on opposite sides of the color spectrum.
8. One-eyed minions are rarely tall.
9. Tall minions all have the same haircut.
10. Grus' Minions are fiercely loyal to him and He to them. He even seems to know each of his over 8,000 Minions by name.
